Additional Program Options

* Early Bird is subject to minimum enrollment and availability.

**The Co-op Plus option is only available for 5-day classes.

***The Non Co-op option is limited to a maximum of 25% of families across grade level.

Co-op Definitions

- Traditional Co-op is the most common choice for families as BEPS. A parent helps in the class approx. 1 day every 3-4 weeks.
- Co-op Plus is an option for families who would like to help more often. A parent helps in the class approx. 1 day every 1.5 weeks.
- If you have two children enrolled at BEPS, we offer the option to choose Traditional Co-op for one child and Non Co-op for the other child; you can split your co-op dates between the two classes.
